To the Public.

The subscribers beg to announce that in view of the increasing demand in this city, and in the south and southwest, for

PRINTING, we have refitted and re-

newed our MACHINERY and the

BEST AND LATEST

types, to be

newest styles of type and fix.

YOUTHFUL DEPRAVITY.—Crime, on the

part of the youth of our country, is on an

increase; and scarcely a day

passes that we are not called upon to

see the arrest of more children, for

chronic & hideous offenses known

to the law. It is a matter of *great common*

importance to the Police Com-

mission to see that

every white man to notice or pay any

attention to him, whatever. Hereafter,

we hope a better state of affairs will

exist in that locality.

OUR SPECIAL FACILITIES FOR EXECUTING

RAILROAD, STEAMBOAT, INSURANCE

BLANK WORK, BILLS OF LADING, BILL-HEADS,

LEGAL BLANKS, LABELS, ENVELOPES, NOTES,

PRESS PRINTING, ARE UNSURPASSED.

We have also added a large poster

press and secured the best and latest

style of poster type, with the intention

of making that a specialty in our estab-

lishment. We will execute, in splendid

variety, those magnificent posters which

exhibitors have had to import in order to

create a favorable sensation for their pe-

culiar exhibitions. In fact, there is no

class of Job Printing but will come with

in our resources, and we challenge com-

parison with any job printing establish-

ment in the country. Our prices will

always be moderate.

A Wife Deserts Her Husband and Takes Up with His Brother.

The examination in a case of larceny

before the Police Court Monday morning

developed one of those cases which are

food for the scandal mongers, but which

shock the nerves of all honest, high-

minded persons. The police force in the

upper portion of the city had arrested

Lee and Mary Hand, charged with robbing

George Hand of \$35. The facts as

elicited were these: Some years since

George Hand was married to Mary, and

the two lived happily together. The

brother of George, Lee Hand, came to the

house and soon got on very intimate

terms with George's wife, and while

sharing the hospitalities of his brother's

home, George conceived a plan which

would forever blight the happiness of his

brother, and that love which she

had for her changed for his husband soon

turned into hatred. Lee then took up

with the wife of George. The two have

since lived together as man and wife,

sharing possession of George's house and

turning him out of doors. On Sunday

evening he went there, when they assailed

him with a poker and other hard

substances. George alleged that in the

attack on Sunday he lost \$35, but the

proof not being sufficient to convict Lee

and Mary of the offense they were dis-

charged.

New Order.

There are a great many soldiers—white

and black—in and around the city, who

have recently become careless in the use

of firearms, and have on several occasions

shot parties. Col. Dill, commander of

the post, in the absence of General Wat-

kins, has issued the following important

order, to which we invite the attention of

soldiers—more especially those in the

habit of looking over their little fingers:

GENERAL MILITARY COMMAND, CINCINNATI, OHIO.—LETTER, J. M. DILL, COL. D. 1865.

THE following disturbances caused by sol-

lers carrying firearms while not on duty, is

merely general that hereafter no enlisted man

is permitted to carry a gun or any other

firearm, or any description of gun or

other weapon, on any day, or on any occa-

sion, except when on duty, or when

on the post, or in the absence of the Com-

manding officers will be held strictly account-

able, and will be severely punished.

CHARLES A. GOULD, A. G. A.

There seems to be a terrible nui-

sance on or near Kentucky street, judging

by the general and almost universal com-

plaint which reaches us from the citizens

of the post, in the south and southwest, of that

street, from First to Ninth streets.

It seems that there are several ponds or low

places, near to Kentucky street, into

which all kinds of filth, including the

wrecks of night carts, are promiscuously

emptied, and to such an extent has this

been done of late that the whole

neighborhood included in the above

boundaries has become almost uninhabit-

able. The horrible stench which is emitted

from these cesspools of filth renders

the air almost uninhabitable.

They are the great many soldiers—white

and black—in and around the city, who

have recently become careless in the use

of firearms, and have on several occasions

shot parties. Col. Dill, commander of

the post, in the absence of General Wat-

kins, has issued the following important

order, to which we invite the attention of

sion, except when on duty, or in the absence of the Com-

manding officers will be held strictly account-

able, and will be severely punished.

CHARLES A. GOULD, A. G. A.

We have already men-

tioned the fact of the arrest of John Has-

ett, charged with killing C. B. Watt, at

the corner of Preston and Main streets,

Saturday. Hassett was presented

before the Police Court yesterday, upon

charge of murder, when the case was

stated until Friday.

The people on Broadway are com-

plaining of a nuisance too near them,

on the eommons, back of that street,

and horses are depredated, and

stanch in intolerable. People shut

their doors and windows in the evening,

saturate their sandwiches in ink,

and make a residence in that vicinity

as a real convenience. Try them.

A man who registered his

name as Myers took passage on the Star

Gray Eagle, at New Albany, on Friday

night, for Cincinnati.

We invite the attention of farmers

to our sanctum some of the finest grapes

that we have seen this season, which were

raised in the yard of our residence, on the

corner of Brook and Broadway. The

bunches were large and well filled with

ripe, sweet, juicy grapes. They will accom-

pany our complaints for the favor.

The Judge Advocate was sick yes-

terday. We couldn't learn what was

before Military Commission or

Marshall. Hope he will be well

soon.
